

IN PURSUIT OF SOLUTIONS! 

We are resolute citizens who recognize that the true value of American Education is the ability to gain core knowledge, think logically, and value diversity of thought as a means to protect the future of our nation!

Our Vision

Engaged parents raising virtuous children equipped with core knowledge and an understanding of America's founding principles in order to protect their own future as a self-governing people

Our Mission

To promote freedom in learning by equipping parents & teachers to enhance education for the next generation.

"Education is the key that unlocks the golden door to freedom."
